Overall comments:	(to create paragraphs in the box, you must use a Carriage Return: Cmd/Opt/return (Mac) or Alt/Enter (PC)) Excellent work Nadia! It has been a real pleasure reviewing this OP and learning more about you and your goals, the challenges you are facing related to the unstable political climate in Syria and the good work you are doing to help change the Patrix! Your projects are inspiring and you demonstrate characteristics of an emerging leader and mentor for your community and beyond. I look forward to reviewing your next submission.
